Celebrating Spring

Traditional Maypole Dance at Center School

By Virginia Morgan

As part of the celebration of the one-hundredth anniversary of Center School, students in Grades K to 3 participated in a joint celebration — the school's anniversary and the celebration of Spring with a Maypole Dance.

On Thursday, May 27, the Center School cafeteria was the scene of a gaily decorated Maypole, complete with colored streamers and flowers atop a free-standing basketball pole, donated by Friends Academy. Twelve children — six boys and six girls from the Second Grade — twisted the streamers to Olde English Contra music. The students included John Coucci, Olivia Mello, Haley MacDonald, Jordan Botelho, Ashley McCann, Rachel Norton, Thomas Cole, Adam Braley, Leah Wilhelmsen, Colin Bono, Devon Barley, and Ellen Eilertsen.

Principal Jon Murphy introduced Mrs. Clara Morgan, who initiated the idea for a Maypole Dance. He noted that in Mrs. Morgan's 30-plus years as a teacher at Center School, she had many students perform the Maypole Dance.

Mrs. Morgan thanked Mrs. Jean Cole and Mrs. Maryanne Brougan, parent volunteers who assisted her in the program. Each were given a corsage by Mrs. Morgan in appreciation of their help.

Mrs. Cole, resplendent in a spring flowered, straw hat, explained the origin of the Maypole Dance which began in Olde England using fresh trees with its top green branches left to signify Spring. "Over time," Mrs. Cole noted, "people in Europe decided to use only one pole so as not to cut the trees every year. The celebration eventually found its way to America where children are still enjoying the traditional Celebration of Spring."

Upon leaving, a parent was heard to say that after three hours of practice everything went without a hitch. Mrs. Morgan, Mrs. Cole, and Mrs. Brougan received exuberant applause for their efforts from the students and from those adults attending.

On the cover: Twelve Grade 2 students from Center School in Mattapoisett wind streamers around the Maypole during a celebration of spring held on Thursday, May 27. The event was organized and spearheaded by longtime Center School teacher Clara Morgan with assistance from parent volunteers. (Photo by Virginia Morgan).

Cover insert: The Eighth Notes, an acappella singing group from Tabor Academy in Marion, will be performing for the annual "Lemonade Social" on the lawn of the Elizabeth Taber Library on Thursday, June 10 at 7:30 pm.

Summer Social

Marion Library to Host Performance

The Trustees of the Elizabeth Taber Library in Marion are pleased to invited area residents to the annual "Lemonade Social" on Thursday, June 10 at 7:30 pm on the library lawn. This event heralds the beginning of summer and is a special "thank you" to library patrons and the Marion community.

Musical entertainment this year is provided by The Eighth Notes, an acappella singing group from Tabor Academy. They will perform popular and show songs, including several solo pieces. Group members include Susie Duncan, Beth Grosart, and Becky Lipstock from Marion, Paula Freedman from Somerset, Derrick Frazier from Buzzards Bay, and Sarah Stoltenberg from Rochester. The Eighth Notes are directed by David Home.

All are welcome to come share an evening of song and refreshments. In case of rain, the event will be held upstairs in the library.

Boat Battle

Memorial Day Race Draws Competitors

The traditional Rochester Memorial Day Boat Race on the Mattapoisett River was a highlight of the holiday again this year, kicking off promptly at 8:30 am from Grandma's Hartley's Reservoir on Snipatuit Road in Rochester and finishing at the Herring Weir on Route 6 in Mattapoisett. Some 83 of the 88 registered teams finished the trek with times ranging from just under two hours to nearly four and a half.

Last year's championship duo of Jeff Eldridge and Walter Gonet took second place honors this year, allowing the team of Sean Shaw and C.J. Hedges IV to take the top prize with a finishing time of 1:57:53.

Following are the top results for the 1999 Rochester Memorial Day Boat Race:

Mattapoisett Selectmen's Meeting

June 1, 1999

By Ilana L. Mackin

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, June 1 at 7:00 pm by Chairman Paul E. Lambalot. Also present were Selectman Barry Denham, Selectman Raymond H. Andrews, and Secretary Melody Pacheco. Executive Secretary Carol Adams was not present for the meeting.

Selectman Andrews moved that the board accept the minutes from the meeting of May 25, 1999, which was unanimously approved.

The board next signed and approved:

- A special one-day all-alcohol license for St. George's Greek Orthodox Church for July 11, 1999 from 12:00 noon to 7:00 pm at the Holy Ghost Grounds.
- A special one-day wine & malt license for the American Legion Clambake to be held July 18, 1999 from 11:00 am to 4:00 pm at the Holy Ghost Grounds.
- A Pool Table license renewal for the Reservation Golf Club and Bards, Inc.
- A Bowling Alley license renewal for Bowl-Mor Lanes.
- A request to appoint Kathleen Massey as a temporary Natural Resource Officer to fill the void in Brian Nunes absence, for a temporarily indefinite term.
- A request to meet with the Town Counsel made by the Building Inspector Andrew Bobola who is seeking an opinion relating to culverts and drainage swails throughout private and public property.

In light of a recent disaster with a small child having been trapped in a well pipe that was temporarily uncovered, Selectman Denham had requested a survey from the Building Inspector to create a list of all the potential private and public culvert risk areas in town. The meeting with Town Counsel will provide the

groundwork to write a policy that will govern the maintenance of these areas to prevent future dangers to members of the community.

• Permit application for a Trailer/Mobile Home from Patricia Donovan for two weeks in the calendar year July 24, 1999 through August 1, 1999 and again August 16, 1999 to August 22, 1999 was approved with the condition that no personal articles are left on the property between approved visits. The Trailer/Mobile Home Permit By-Law was recently revised and re-defined to clearly state that permits will not be issued for more than a two-week time period per year and that occupants may use the property for no more or less than one week at a time.

The board then noted the following meetings

• Friday, June 11 at 6:00 pm - Selectmen will attend the Firefighter One/Two Graduation Ceremonies to be held at the Knights of Columbus Hall.

Ms. Pacheco reviewed outgoing correspondence with the brief review of a memo relative to overtime hours for the town mechanic. "It is unfortunate that we only have one town mechanic and several emergency vehicles," Selectman Denham said. "This overtime is needed because we can't have the ambulance not working. We've gained several additional town vehicles since our mechanic started with us many years ago."

The board discussed the future possibility of looking into the feasibility of hiring an additional part-time mechanic to help with the heavy work load, if the situation changes in the near future. The current average for overtime is minimal.

Another memo relative to the Fire Service Camp and correspondence to Doug Cameron regarding the Public Access Ramp were received and discussed.

With no appointments scheduled before the board this evening, Ms. Pacheco moved on to review incoming correspondence which included a letter from Bruce E. Rocha Jr. who has offered to donate materials and services to replace the roof shingles at the Ned's Point Comfort Station. Other offers were graciously received for roofing materials and Selectman Denham would like to thank everyone who has offered their time, materials and services. Painting will be provided by the Plymouth County Sheriff's Department and the janitor from the Center School will be taking care of the Ned's Point Comfort Station and various other public facility bathrooms in town for visitor's use.

School Superintendent Betty Quinn thanked the

Board of Selectmen for their participation in the Communities Caring for Children Forum held at the high school last Monday evening. "The board's presence was very helpful, not only because of your thoughtful remarks, but because it illustrated clearly that we are and can be a team working together," Ms. Quinn stated.

The Mattapoisett Recreation Committee is offering kayaking classes from late June through August at the Mattapoisett River Town Landing. Information can be obtained by contacting John Haley at 758-4587 prior to June 7.

Marie Bacon, Chairman of the Personnel Board, forwarded a memo inviting department heads to participate in a meeting to discuss finalizing job descriptions, including wage and salary scales and development of the personnel policy manual. This meeting will take place on Thursday, June 3 at 6:15 pm.

A copy of a letter from Adrian Lonsdale to Police Chief James Moran was received on the use of the tennis courts on Hammond Street. Ms. Pacheco confirmed to the board that the Park Department posted signs today asking people to no longer use the courts for roller blading or skate boarding purposes. Mr. Lonsdale was not happy about the kids taking down the nets in the courts to play roller hockey games.

"I've seen groups use the courts many times before and quite often the rollerblade hockey games are adult supervised," he wrote.

"It would make sense to create an asphalt area for

Animal Advice

Jay Gould, DVM

LYME DISEASE

My dog gets lots of ticks. Will he get Lyme disease?
Lyme disease is caused by a bacteria and is transmitted by ticks. Unfortunately, Lyme disease is common in this area.

What signs will my dog show?
The most common sign associated with Lyme disease is lameness, often associated with fever. Many dogs show signs, while others are intermittently lame.

Is Lyme disease preventable or treatable?
Yes to both. Vaccines are available for dogs that are fairly effective in preventing Lyme disease. If your dog gets Lyme disease, it can usually be cured by treatment with antibiotics.

Dr. Gould can be reached at the Mattapoisett Animal Hospital (508) 758-6400

these kids to go," Selectman Denham said, who suggested to the board that they look into finding a suitable piece of land in town, obtain fencing and the possibility of donated asphalt. A plan of research on the matter will be put on their agenda.

Under the Executive Secretary's Report, Ms. Pacheco reminded everyone that the Special Town Election is on June 15 at the Old Hammondtown School from 10:00 am to 8:00 pm.

With no further business to come before the board, they unanimously voted to adjourn for the evening at 7:30 pm. Their next scheduled meeting will be held on Tuesday, June 15 at 7:00 pm.

Marion Selectmen's Meeting

June 1, 1999

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 1 at 7:00 pm by Chairman Loretta B. Schaefer. Also present were Selectmen Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Town Administrator Ray Pickles, and Secretary Helene Craver.

After unanimously approving treasury warrants #49 and #49A for the week, and approving the minutes of the May 25 meeting, the board signed and approved a series of bond notes as per a request from Town Treasurer Debra Blanchette for several ongoing projects through the year 2000. Ms. Blanchette noted that the town was able to secure a good interest rate of 3.29 percent through People's Savings Bank.

At 7:15 pm the board opened a hearing on a request to transfer an all-alcohol restaurant license from Harriet's Restaurant to the soon-to-be-established Andrew's Restaurant and Catering at the same location. The owner, however, requested an extension since he has not completed all the necessary paperwork for the license transfer. He will be ready within a couple of days.

Mr. Pickles suggested the board merely continue the proceeding until next week so they wouldn't have to re-advertise the hearing. With that, the board unanimously voted to continue the hearing on Tuesday, June 8 at 7:15 pm.

Under incoming correspondence for the week, the board received:

• Notice from the Benjamin D. Cushing Post 2425 VFW that they plan to conduct a fund-raising campaign to purchase a new ambulance for the Town of Marion. A committee has been established for this task, and they are seeking the board's approval. "They have our wholehearted endorsement," Chairman Schaefer said.

• Request from Tabor Academy to extend the performance time of an outdoor event planned for Saturday evening, June 19 to 11:30 pm (the town's current by-laws limit such performances to 11:00 pm). The board felt the 30-minute extension was reasonable, as long as the performance ended promptly at 11:30 pm — the unanimously approved the request.

• Legal Opinion from Town Counsels Perry, Hicks, Crotty and Mitchell regarding the use of the UMass Dartmouth Center for Policy Analysis in conducting a study for the Town of Marion and whether or not such a contract fell under the Uniform Procurement Act (MGL Chapter 30B) requiring a bidding process. "The Act does not apply to 'a contract to purchase supplies or services from an agency or instrumentality of the federal government, the commonwealth, or any of its political subdivisions.' There is no question that the University of Massachusetts Dartmouth is an agency or instrumentality of the Commonwealth of Massachusetts," the opinion stated.

• Notice from Mary Jane Pillsbury, Chairman of the Wareham Board of Selectmen, advising that they plan to discontinue their participation in the Regional Office of the Public Prosecutor, effective June 30, 1999. Mr. Pickles suggested the board hold any action on this matter, however, since he understands that the Wareham board may revisit this issue at their next meeting. "I believe it's up for reconsideration," he said. "If they stand by this decision, we can then decide if we need to meet with the other towns to rework the agreement."

• Notice from the Open Space Acquisition Commission that they have elected the following officers: Chairman Christopher Bryant; Vice Chairman Ann Washburn; and Secretary Kathleen Reis. The commission will meet on the second and fourth Wednesday of the month (alternating with Conservation Commission meetings) in the Town House Main Conference Room at 7:00 pm.

• Request for the town's continued participation in the Suburban Coalition and annual dues of $100 for membership. Mr. Pickles suggested that since the town belongs to the Massachusetts Municipal Association (MMA) which provides the same service, they should question the value of continued participation in the Suburban Coalition. Selectman Winters wanted to check into the specific benefits of each before making a decision.

Upon a recommendation from Mr. Pickles, the board then unanimously voted to adopt the following "summer schedule" of Selectmen's Meetings for the months of June, July and August. The board *will meet* on the following Tuesday evenings at 7:00 pm: June 8, June 22, July 6, July 20, August 3, and August 17. They will resume regular weekly meetings on Tuesday, August 31. Chairman Schaefer noted that if a situation warranted it, they would schedule a meeting on the "off days."

At 7:30 pm the board began discussion and consideration of the future of the Marion Fire Department

and the Board of Fire Engineers. Chairman Schaefer noted that they have met with many of the firefighters and members of the Board of Fire Engineers over the past few weeks, and the general consensus seems to be that the department lacks a central leadership. "We have looked at the problems within the department," Chairman Schaefer said. "Many felt (the department) would work better with one leader ... someone who would give confidence from the top down."

"We all got a good sense of the total dedication of the Fire Department volunteers," Selectman Winters added. "But the common thread was the need for a single leader ... someone they knew was in charge. I think it's clear to me that everything that was said indicates that the firefighters are looking for a significant change or improvement in the way things are done. And with the town growing, I can see the need for a full-time Fire Chief just around the corner."

Selectman Dickerson then recommended a detailed, ten-step process to help restructure the Marion Fire Department:

• Appoint the Board of Selectmen to serve as the Interim Board of Fire Engineers;

• Have the Selectmen's Clerk serve as the Clerk of the Board of Fire Engineers;

• Have the Board of Selectmen select and appoint a new Fire Chief;

• Have the Fire Chief appoint an Assistant Chief who will serve in his absence;

• Have the Fire Chief appoint an Assistant Chief from the existing Deputy Fire Chiefs or any member of the Fire Department;

• Retain the current Board of Fire Engineers as Deputy Fire Chiefs;

• Have the Fire Chief assign responsibilities to the Deputy Fire Chiefs as he sees fit;

• When the Deputy Chiefs retire or request not to

be appointed, the Fire Chief will not fill the position;

• At the Annual Town Meeting in 2000, dissolve the Interim Board of Fire Engineers (Selectmen) and adopt a "strong" Fire Chief act;

• Have the new Fire Chief report directly to the Board of Selectmen, as does any other department head.

The board agreed that this process seemed to be the best way to go, with an eye toward appointing a part-time Fire Chief for now. But there was some question as to whether the Board of Selectmen should or could appoint themselves as the Board of Fire Engineers and then solicit applications for a part-time Fire Chief. Chairman Schaefer noted they had to post their first meeting as the "Board of Fire Engineers" at least 48 hours prior to convening.

As such, the board agreed they would adopt the ten-step process suggested by Selectman Dickerson at their next Selectmen's meeting on Tuesday, June 8 at 7:00 pm. They would also post meetings of the newly-established interim "Board of Fire Engineers" for Monday and Tuesday (June 7 and 8) at 5:00 pm to allow prospective candidates to come in for an interview; and as of Wednesday, June 2 they would post the position of a part-time Fire Chief for the Town of Marion, with letters of interest due in their office by Friday, June 4 at 3:00 pm. Notices would be sent to all members of the Marion Fire Department, and any and all candidates would then be asked to come in for an interview on Monday or Tuesday. The board will then make their appointment on Tuesday night, June 8.

"There's no way we can satisfy everyone," Chairman Schaefer responded to a question of those who may not remain with the Fire Department after these changes take effect. "But speaking with the majority of the firefighters, I'm confident that we'll find someone to run the Fire Department."

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:30 pm.

Letter to the Editor

To the Editor:

The members of the Marion School Committee want to express our gratitude to the voters of Marion for their support at the polls, especially for the renovation and expansion project at Sippican School. We also want to thank the members of the Sippican School Building Committee for their work to date and to pledge our support as they embark upon the construction phase of this project.

Construction will begin this summer and will pose considerable challenges to all of us during the two years it will take to complete the project. We want to assure you that uninterrupted education for the children will be our highest priority. Certainly, the administration, staff, parents, and students will have to be flexible and accepting of changes, and we will all need to work together to minimize the difficulties. Traffic patterns will be more complicated, as will parking. However, with assistance and consideration from all, we will be able to maintain a safe environment. To detail the plans for phasing during the construction, the administration and architect Roger Hoit will hold an informational meeting for parents and other interested community members on Thursday, June 3 at 7:00 pm in the Sippican School Cafeteria.

In addition, since we are keenly aware of the sentimental regard that the 1937 wing holds for many of us, the School Committee and administration and staff will host an Open House on Tuesday, June 15 from 6:00 to 8:00 pm in the Sippican School Auditorium. We invite everyone to stop by for a glass of punch, listen to student and staff musicians, and say goodbye to the '37 wing one last time.

Sincerely,
Susan S. Grosart, Chairman
Marion School Committee

Nunes Farm Future Discussed

The Mattapoisett Land Trust held it annual meeting on May 22 at the Friends Meeting House in Mattapoisett. DEP Coastal Access Planner Geordie Vining was guest speaker to discuss state plans for the Nunes Farm now owned by the State Parks Department.

Geordie began by thanking the Mattapoisett Land Trust and the Fairhaven-Acushnet Land Preservation Trust for their joint pledge of $150,000 to make the purchase possible. This is one of a dwindling list of large, undeveloped coastal properties and the remaining $150,000 was a cliffhanger, Mr. Vining said. He stressed that the park probably wouldn't have happened if the pledge hadn't been made. "Everything would have stopped," as many other agencies wanted to use the money for their own project, he said.

The $150,000 is the difference between the appraised value, the maximum the state can pay for conservation land, and the seller's lowest price for the property. Actually, the trusts have borrowed the $150,000 from the Massachusetts Environmental Trust (the people who sell the Whale license plates) on a three-year note. The Mattapoisett and Fairhaven-Acushnet trusts plan fund drives in the near future.

Mr. Vining noted that state activities to date have been limited. They have erected a gate and fence as well as made other arrangements for the contractors to remove equipment left for the winter months. They have also firmly resisted the golf course proposal suggested several times since the farm was purchased from the residential developers.

Detailed planning is deferred pending results of a four-month, $50,000 resource study by Epsilon Associates.

PERRY FARM PATCHWORKS

Quilting Forever... Housework Whenever

Store Hours: Tues.-Wed. 10-9, Thurs., Fri. & Sat 10-5

196 Perry Hill Road, Acushnet 995-1555

This will be a full ecological inventory and resource study of wildlife and habitats, rare and endangered species, forest types, and the like.

Mr. Vining was willing to say that the informal consensus of the people involved was to preclude cars from the park, provide some 10 parking spaces at the gate, maintain the glorious field (having the current stump piles removed and ground up), and maybe rejuvenate some old trails through wetlands (on boardwalks). The waterfront would probably be reserved for walkers, beachcombers, and environmental study. As he said, "the waterfront is not even close to a classic swimming beach."

Of the "airport" size clearing done by developers, he said plans await the study findings but "respreading the immense piles of loam left by contractors, followed by natural regeneration is probably the way to go. It will happen over ten years if the forest is allowed to grow in from the sides."

Following the meeting, about 35 participants walked the entire park. Of the 209 acres, some 80 are

Marion Art Center

New Teachers

Two experienced teachers will be joining the Marion Art Center faculty this summer. Lynne Arthur Parks Kuhl will teach paining for three- and four-year-olds on Friday morning and Jean Tucker will teach a series of workshops in watercolor and oil painting on Monday morning.

Jean Tucker is a professional artist represented in several prestigious galleries on Cape Cod and in Boston and California. She is well-known for her colorful florals and landscapes in both watercolor and oils. She teaches in several locations on Cape Cod and has a studio in West Yarmouth. The workshops will cover all the fundamentals of painting and incorporate the use of "tools to liberate and enhance" the approach to different techniques. Several of Ms. Tucker's paintings are included in the current "Art in Bloom" exhibition on display June 4 through 30 in both galleries at the Marion Art Center.

Four Watercolor workshops will be held July 12,

Lynne Arthur Parks Kuhl was the winner of the 1984 Butterfield Scholarship Art Competition held at the Marion Art Center. Since then she has pursued a career in art after receiving a BFA from Maryland Institute of Art. She taught children's art in Italy for a year, and recently taught painting for three- and four-year-olds at the Milton Art Museum. She also has worked with the theater department at Stonehill College designing costumes.

Lynne grew up in Marion, traveled, got married,

and just recently moved back here with husband and young son. Teaching at the Marion Art Center is also like "coming home." Classes for three- and four-year-olds will meet July 9 through 30, 10:00 to 11:00 am, and also August 6 through 27. The fee for four classes is $40 for MAC members and $50 for non-members. Space is limited, so please call 748-1266 or stop by the Marion Art Center to pre-register.

Art in Bloom

The latest gallery exhibition, "Art in Bloom" Invitational, will be on display at the Marion Art Center from June 4 through 30. The exhibit features paintings by Charles Parsons, Madeline Roy, Jacqueline Spinney, and Jean Tucker, with floral interpretations by the Marion Garden Discussion Group. An opening will be held on Friday, June 4 from 6:00 to 8:00 pm.

Nunsense

The Marion Art Center Theater will present "Nunsense," a musical comedy by Dan Goggin, on July 1, 2, 3 and July 15, 16, 17 at 8:00 pm. Directed by Paul Sardinha, the cast will include Judith Coykendall, Sheila Furtado, Marcia Pereira, Anne Schenck, and Irina Weatherley. Tickets are $12.50 for MAC member, $15 for non-members and reservations are recommended and can be made by calling 748-1266.

Long Plain Friends Meetinghouse

The Long Plain Friends Meetinghouse in Acushnet, the oldest (1759) in the region, opens for the summer on Sunday, June 6. Its Quaker Museum will welcome visitors every Sunday from 1:00 to 4:00 pm from June 6 through September 12. Listed on the National Register of Historic Places and set in a verdant 2.5 acres at the north end of Acushnet, the Meetinghouse is also the venue for the now-traditional FREE summer concert

Fairhaven Center For Business

"For Sentimental Reasons," an evening of 1940's music and nostalgia, will return to Fairhaven's Town Hall on Friday, June 25 to open the weekend's Homecoming Celebration. The performance, sponsored by the Fairhaven Rotary Club, begins at 7:30 pm in the auditorium of Town Hall. Admission is $10 per person.

The show, which was greatly enjoyed last year, is performed as a 1940's war-time radio program, with a talented troupe of professionals offering their renditions of some of the most familiar tunes of the day. Interspersed between songs are delightful old radio commercials and announcements, some of which incorporate local references. An area in the front of the auditorium is set aside for those who wish to dance to those great songs of yesteryear. Reservations can be made in advance by calling 999-1900 or 996-2749.

As part of this year's Homecoming, the public is invited to a special flag-raising ceremony at Fairhaven High School at 8:00 am on Saturday, June 26. The town's "big flag" will be paraded through the newly-renovated 1906 building and the new addition before being brought to the flag pole on the front lawn. The high school will be open to visitors from 10:00 am to 4:00 pm on Saturday with a shuttle bus to transport people back and forth from the fair. On Saturday evening, from 6:00 to 8:00 pm, an all-class alumni reunion will be held at the high school. Fairhaven High School will also be open on Sunday, June 27 from 1:00 to 4:00 pm.

10% OFF WITH THIS AD

Originally based on the traditional "Old Home Days" popular throughout New England at the turn of the century, the Homecoming Day Fair features 175 booths of arts and crafts made by artisans from all over the Northeast. Foods, including stuffed quahogs, Portuguese linguiça and caçoila sandwiches, and other fare are made by the Fairhaven non-profit and church groups. A luncheon will also be served inside the Centre United Methodist Church. Live entertainment and an art show are also featured. All day there will be rides on an antique fire engine for the children. The fair draws thousands of families, friends and visitors from around the country.

The town's center, where the fair is set, is an attraction in itself. The public buildings donated to Fairhaven about a hundred years ago by Standard Oil Company millionaire Henry Huttleston Rogers are splendid examples of European-style architecture in America. Visitors can see an Italian Renaissance library, a French Gothic Town Hall, and the magnificent Unitarian Memorial Church, modeled after a 15th century English Gothic cathedral. The buildings were all designed by noted New England architect Charles Brigham and are surrounded by unique herringbone pattern brick sidewalks.

A brochure of many of Fairhaven's summer events — including fairs, summer concerts, walking tours, and more — is available at the Fairhaven Visitors Center,

MARKET DETERMINES PRICE

If you think the value of your home is determined by you or even the buyer - think again. Sellers will normally assume it's worth more than it is and most buyers will understandably atempt to "lowball" the value. The best selling price is determined by the location and the current market. An overpriced house sitting on the market for months becomes very difficult to sell at that price. So first, you must get in line with the market. That means a realistic valuation. Nobody - but nobody - is more aware of the current housing market than our agency. We can bring our own appraisal expert or even a team of salespeople who will individually price your home and then reach a fair concensus. Also, you can hire a qualified independent appraiser to get an "arms length," objective valuation. This carries a lot of weight during negotiation.

Your price should include curtains, draperies, refrigerator, air-conditioners, dishwasher, built-ins. It's a better package deal and may hasten the sale.

Students Learn Importance of Voting

With voter participation at its lowest since 1942 and young people (ages 18 to 42) the worst offenders, the Old Rochester Regional High School Community Service Learning Program and the local League of Women Voters teamed up to address this issue in a special senior assembly on Thursday, May 20. The assembly was held at the end of the school year in order to maximize the number of eligible eighteen-year-olds.

The information was presented by history teacher Michael Connolly in a quiz show type format, with prizes awarded for each correct answer. Mary Schmidek from the League of Women Voters spoke about the importance of voter participation and Principal James Egan explained the absentee ballot. Approximately 50 students registered to vote at the assembly.

The program was initiated as an extension of Michael Connolly's Contemporary Affairs class where students studied current political events and the political process during the course of the school year. It is hoped that a forum for voter registration will become an annual event for graduating seniors.

Many thanks to the following local businesses who contributed prizes: Porky's Quality Meats,

ORR Wins Math League

The results of the New England Mathematics League are final and Old Rochester Regional High School has been notified that they are the Plymouth County Champions. The results for Plymouth County are as follows:

ORR High School - 145; Hingham High School - 139; Plymouth North High School - 135; Brockton High School - 132; Norwell High School - 126; Silver Lake Regional High School - 109; Scituate High School - 105; Plymouth South High School - 79; Middleboro High School - 73; Carver High School - 17.

In New England, the team from ORR ranked 29th overall out of a total of 178 schools. Top scorers for ORR were Alex Naiman (29) and Beth Dutra (25).

Show Rehearsals in Marion

Auditions for *Bang, Bang You're Dead*, a one-act play on school violence by William Mastrosimone, will be held at St. Gabriel's Episcopal Church Parish Hall, 124 Front Street in Marion at 7:30 pm on Monday, June 7 and Tuesday, June 8. Rehearsals will take place evenings in July, with performances in August. The production is open only to youths entering eighth grade through this year's high school graduates. Come ready to fill out an availability inventory for the rehearsal schedule. Copies of the script are available for perusal at the St. Gabriel's library on weekdays, 9:00 to 3:00, at the Millicent Library in Fairhaven, or beginning at 7:00 pm both nights of auditions. For further information, please call 748-1507.

Mattapoisett Garden Tour

The Mattapoisett Woman's Club will be having a Garden Tour on Saturday, June 26 from 10:00 am 4:00 pm. The tour will feature a prize-winning rose garden along with a seaside, water, herb, wildflower, pool, container and country gardens. Tickets in advance are $10 and can

Rochester Regional Building Committee would like to invite all Mattapoisett voters to an informational presentation to be held at Old Hammondtown School on Wednesday, June 9 at both 4:00 pm and again at 7:30 pm.

So that you have the opportunity to be an educated voter at the polls on June 15, Mattapoisett residents are urged to attend. These sessions will be designed to inform about the different educational concerns facing local schools today and to explain the need for the operational overrides. There also will be the opportunity to understand the design plan for the Junior and Senior High Schools and to have explained the education plan, population studies, and timing of the proposed project. There will be ample time for questions and answers at both presentations.

School officials hope that Mattapoisett voters take the opportunity to come to Old Hammondtown School on June 9 at either 4:00 or 7:30. Everyone needs to truly understand these two very important issues that they will be asked to vote on at the polls.

Blood Pressure Clinics

Blood Pressure Clinics for the month of June will be held on Wednesday, June 9 from 1:00 to 3:00 pm and on Wednesday, June 16 from 5:30 to 7:30 pm. Clinics are held at the American Legion Hall on Depot Street and are open to all Mattapoisett residents.

Movie Review

Starstruck

BY ROB GONSALVES
local@wanderer.com

■ ***Notting Hill*. Starring Julia Roberts and Hugh Grant. Directed by Roger Michell. Running time: 122 minutes. MPAA rating: PG-13. At Cinema 12 at the North Dartmouth Mall and at Flagship Cinema 12 in New Bedford.**

It's sometimes been said that the true test of a movie star is whether he or she can effectively *play* one. I wouldn't agree. A rock star or even a TV star might understand the hassles of being a movie star — the invasions of privacy, the crowded yet isolated life lived in public. But only a fine *actor* can make us understand it, too.

In the surprisingly disarming *Notting Hill*, Julia Roberts demonstrates yet again that she's not just a bit of charisma decorated by a warm smile. (Sandra Bullock, friendly as she is as a persona, has yet to prove this.) Roberts plays Anna Scott, the world's most famous actress; in interviews, Roberts has bent over backwards to distance herself from Anna, who can be much more brittle and cool than Roberts would like us to believe she herself is. Does it make any difference? How much of what Julia Roberts does in interviews is acting? Whatever the true reality, Roberts makes us believe in the reality of Anna the vaguely sad woman who lucked into fame and has had many opportunities to regret it.

One afternoon, while promoting her new blockbuster *Helix* in London, Anna ducks into a Notting Hill travel bookshop owned by William Thacker (Hugh Grant), a witty and self-deprecating gentleman who rather reminds us of, well, Hugh Grant in *his* interviews. Perhaps, in these ironic times, this is one of the only remaining routes into a romantic comedy: a premise that winks at the audience's willingness to suspend disbelief.

After Anna and William have fallen in love, and the tabloids make much of their tryst, we know full well that both Roberts *and* Grant have had experience with scandal, even though Grant is playing a virgin in such matters.

Notting Hill is a graceful Hollywood romance that doesn't quite feel like one, thanks to screenwriter Richard Curtis, who likes to bring an American

into caustic, scruffy-working-class Brit territory, as in *The Tall Guy* and *Four Weddings and a Funeral*. Curtis also loves to paint a colorful background for his romances, in the form of agreeably rumpled supporting characters. Consider, for example, William's best friend Max (Tim McInnerny), the world's worst cook and loving husband to Bella (Gina McKee), a sensible attorney who also happens to be in a wheelchair. Or William's loopy sister Honey (Emma Chambers) or his menschy shop clerk Martin (James Dreyfus), both of whom are flabbergasted in the presence of Anna. Or especially the scene-stealing Spike (Rhys Ifans), William's flatmate, who makes David Thewlis in *Naked* look like a model of refinement.

You get the warming and chilling essence of *Notting Hill* in the scene where Anna first enters William's shop. He recognizes her but is too much the gentleman to say so; he tosses off a few witty asides, and we see Anna's wary attraction to him, and his to her. Then a stubbly customer wanders over to Anna for an autograph, and you see a little light go out in Anna's eyes as she politely but coolly complies. You see William deflate a bit, too: he'd thought he might actually have a chance at this woman, but the customer reminds them both who she is and punctures the illusion. It's a lovely little scene, and the rest of *Notting Hill* gets considerable mileage out of the themes introduced in it. The illusion that Anna is just a regular woman, it turns out, isn't an illusion after all — even if everything around her is.

Clay outdoor fireplaces that add a new exciting functional and aesthetic dimension to any outdoor activity. They bring the mystique of the fire and the beauty of clay together to create a relaxing ambiance for the patio or backyard. Keeps mosquitos away and provides a welcome warmth to any backyard outing!

Chimineas are large clay pots designed to be used as outdoor fireplaces. Originally used in Mexico as a primary source for cooking and heating, they have now become very popular outside of Mexico as decorative and very functional item for decks, patios, and all your outdoor relaxation.

Add a magical glow to your evening.

This Week's Horoscope

by Linda Black

Weekly Tip: The sun is in Gemini. Gemini is the sign of curiosity, so it's a sure bet interesting things will be going on. The competition is fierce.

Aries (March 21-April 19). Move quickly and you may get to the prize before anyone catches you. Listen and learn from your partner and from your friends.

Taurus (April 20-May 20). The sun in Gemini helps you focus on financial matters, as if you didn't do enough of that already. This time, instead of finding ways to save, you'll be finding ways to make more money.

Gemini (May 21-June 21). The sun's in your sign, giving you an advantage, and that's going to get even more obvious as the week progresses. You're looking good.

Cancer (June 22-July 22). Your mind is probably buzzing with the sun and Mercury both in Gemini. You're most likely worrying about work-related matters. Just wait a while, and things will calm down.

Leo (July 23-Aug. 22). You're good with teams. Social activities should be taking up lots of your time, too. You'll have more invitations than you can possibly accept.

Virgo (Aug. 23-Sept. 22). You might tend to be nervous while the sun is in Gemini, but the upside is that it makes you even quicker, both mentally and physically.

Libra (Sept. 23-Oct. 23). The sun's in Gemini, which is really lovely for you. It helps you travel and also learn advanced subjects.

Scorpio (Oct. 24-Nov. 21). You can make and lose a lot of money while the sun's going through Gemini, so take care. It looks like a lot of it is changing hands.

Sagittarius (Nov. 22-Dec. 21). The sun's in Gemini, presenting something of a challenge. A raging debate could prove quite entertaining.

Capricorn (Dec. 22-Jan. 19). You generally stay pretty busy, but during the sun's transit of Gemini, things can get downright hectic.

Aquarius (Jan. 20-Feb. 18). You do very well when the sun is in Gemini, as it is now, so this whole week should be spectacular for you.

Pisces (Feb. 19-March 20). The sun in Gemini could inspire you to make changes at home. That'll really stir things up.

If You're Having a Birthday This Week: Saving is your theme this year, and paying off old debts. Do that and you'll propel yourself toward success.

Marion on Monday, June 14 at 7:00 pm. The rain date will be June 28. This exercise, sponsored by Marion Harbormaster Charles Bradley and the Marion Flotilla of the United States Coast Guard Auxiliary with the cooperation of the Marion Fire Department, will give boaters an opportunity to try their hand at firing off different types of pyrotechnic signalling devices.

The public is reminded that the use of pyrotechnic devices for other than an emergency or an authorized training session is a violation of federal law and can lead to arrest and a fine or imprisonment.

Boaters who have expired flares may turn them in at the Marion Harbormaster's Office before June 14 for use in the demonstration.

NOTICE
MATTAPOISETT RESIDENTS
WATER MAIN FLUSHING

Water main flushing will be conducted May 17, 1999 through June 11, 1999.

Flushing will begin May 17th at 8:00pm until 2am.

Flushing will be continued May 18th through June 11th during the daylight hours from 9am to 4:30pm.

Discolored water may be expected along with periods of low water pressure in some areas.

Locations most likely to be affected are those South of Route 6 extending from Main Street to Aucoot Road and including Crescent Beach, Point Connett, Hollywoods and Peases Point.

Chlorine will be injected into the system before flushing begins and will continue for a period after flushing is completed.

This will be the 27th annual happening of this well-known experience. It is estimated that over those 26 previous years and including those who plan to participate this year, there will have been approximately 2,600 "survivors" who have completed the week-long outdoor experience. Many have returned through their high school and college years as chaperones. It has truly become a community-supported program among the tri-town area.

In continuing that support, as you begin your spring cleaning and come upon an unused backpack or tent (in good condition) or any other unwanted camping gear, the Survival Advisory Board would greatly appreciate donations of any kind. These donations help to
